## REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

The Buena Vista Elementary staff strives for continuous improvement in instructional delivery and student performance. Three main goals guide all actions: 1) Students will master grade level standards in Mathematics, English Language Arts, Science, and Social Studies; 2) A safe, orderly, and inviting learning environment will be provided for students, staff, and the community; 3) A highly qualified staff will be developed and maintained. These goals were written to address specific areas of need identified in the school and to correlate with the school district's Education Plan. Progress towards achieving the goals is monitored by the staff and the School Improvement Council.

The school was recognized as a Red Carpet School for the level of customer service that is evident in the school.

Buena Vista Elementary will continue to implement Continuous Improvement strategies for performance excellence. Staff development will focus on curriculum integration and learning focused planning, so that we may better address students' diverse learning needs. The collection and analysis of student data will allow the staff a more precise picture of areas of strength in the curriculum, areas needing more emphasis, and groups of students who may need immediate and sustained intervention.

The School Improvement Council will focus on increasing and improving the options for student extracurricular clubs. This year, the Chess Club was formed, and plans are in place to expand this club to more students next year.
